Judge Daniel in Race

Judge D. R. Daniel has registered as a candidate for County Judge in the Democratic primary August 6th, and has accordingly authorized the Times to carry his announcement.

The Judge has an enviable record as County Judge. When he entered into the duties of the office he found the county \$13,000.00 in debt and no money to pay the outstanding claims. During his three and one-half years' term, backed by one of the best Fiscal Courts the county ever had, he has paid every dollar of this indebtedness. He has also built and paid for the state aid road from Clay City to Lulbegrud Creek, and built two miles of road out of Bowen. The bridge across Hardwick's Creek has also been built. The county has coming to it probably \$50,000.00 as its part of the work on the new Clark county road.

Truly has the Judge and Fiscal Court of Powell done wonders the past four years: They deserve the thanks and compliments of the people of Powell in no uncertain terms. It is a certain fact that Judge Daniel has ever remained on guard for the county's best interest.

Teachers' Institute

Institute begins July 11th at Stanton. Mr. R. S. Eubank, editor of the Southern School Journal, will be instructor. On Tuesday Mrs. Harris, state organizer of Parent Teachers' Association, will be present and we will have with us on July 14, 15 and 16th, Miss Martha D. Dinwiddie, Health Specialist in Rural Schools, who is a representative from Department of Interior, Bureau of Education, Washington, D. C., sent by the Commissioner of Education. Every one should come and listen to her lectures, which will most surely be fine.

Geo. Conlee for Justice

In this issue of the Times appears the formal announcement of Geo. W. Conlee, for Justice of the Peace in the Clay City Magisterial district subject to the Democratic voters in the primary election August 6th. Mr. Conlee is one of the county's best farmers and a most substantial business man who, if elected, will make a splendid official. The office of Magistrate is one of the most important of any the county officials and the voters of this precinct are indeed fortunate in having the opportunity to vote for such a capable man for such a responsible office.

Family Reunion

At the home of Mr. and Mrs. W. A. Berry, West Bend, recently was held a reunion with following members of the family present:

Mr. and Mrs. W. H. Overly, son, Carl, and daughter, Miss Katherine, of Ashland; Mr. S. C. Berry and family, of Pine Grove, Ky.; Mr. and Mrs. H. H. Rherigo and family, Clay City; Mrs. H. W. Simmons, Charleston, S. C.; E. L. Berry and family, of Louisville, Ky.; Miss Bernice Berry, of Charleston, S. C.

Results of the Picnic

The 4th of July picnic held at Stanton under the auspices of American Legion was a nice clean affair and those present, hundreds in number, pronounced it a decided success from every point of view. An able band from Lexington furnished good music for the occasion throughout the day that was most pleasing to the ear, while some of the young feet were keeping time to the time "you know."

Ex-service men were there not a few of which a few squads gave a nice drill parade, after which the boy scouts finished up with their drilling, daring stunts and etc. Last of all but not least a boxing contest was pulled off by a good number of amateurs with judges deciding on points that was very interesting to all sport fans. Such gatherings as these should be encouraged and supported annually.

Not a drunk on the grounds; no arrests at all, no accidents of any kind. It can be said old Powell had a sane Fourth and lots of fun.—1776.

Dr. Easter in Race for Judge

Dr. Albert Easter, in the last hours of the campaign, has decided to enter the race for County Judge of Powell. His formal announcement appears in this issue of the Times. Dr. Easter is well known to the people of Powell county, having for the past several years been a practicing veterinarian and minister of the Christian church. He stands high with the people who know him. A card to them in next week's issue of the Times will give his political platform which will speak for itself as to the principles and ideals he holds as a county official. Consideration is due his claims for political preferment and favors with the Democrats of the county.

E. F. Harris for Magistrate

E. F. Harris announces his candidacy for Magistrate in the Vaughn's Mill and Virden district in this issue of the Times. Mr. Harris is a young man of bright mind, moral habits, and full of capabilities. He is a man well-fitted for the place, and if elected will fill the office with credit. While reared in Madison county, Mr. Harris married a Powell county girl and has fully identified himself with the best interests of our people.

To Light Plant Prospects

We regret that an unscrupulous out-of-county competitor has seen cause to wantonly, willfully, falsely, knowingly and unfairly state that certain branches of the Willys Light Company, the company we represent, was broken up and could make no delivery of plants, and if per chance a plant should be installed, parts could not be gotten for it and the plant would be old and no good.

Nothing is further from the truth, and known to be an untruth when so stated by our out-of-county competitor.

We are agents for the Willys Light plant, the plant that gives you guaranteed 40 per cent. more battery power and 50 per cent. longer life than any other plant yet sold in this county, regardless of any cost, and at a price not in advance of the other plants. So don't be fooled by soft talk, long wind and brazen deception into buying a plant that will not and cannot do the work of our plant. We have a demonstrator and will bring it to your home and let you see for yourself that what we say is true.

We are home people, pay taxes here, help to build roads, schools and churches, we know every body. The other fellow does nothing like this, knows nobody and does not care to know you only to get your money, and for this same money your home people will give you a larger plant and home service—quick service. If interested, give us a chance to prove what we say.

Mr. and Mrs. C. Daub, of Middletown, Ohio are here guests of Mr. and Mrs. John W. Hendricks. James Hendricks, who has been in the electrical business in Middletown for the past several years, made his home with these people and they are here to be with him a few days before he starts for California.

Preacher Strongly Endorses Baxter

His friends here in Powell county were much interested in the endorsement given the candidacy of Hon. William J. Baxter for the Democratic nomination for Commonwealth's Attorney by his pastor, a prominent minister of Jessamine county. The preacher is Rev. J. Wood Browning, and he testifies in no doubtful terms to the high standing of the man who is asking this honor of the people of the four counties of this district. Rev. Browning writes:

To Whom It May Concern:

I have known Mr. W. J. Baxter, of Jessamine county, Ky., for a number of years and take great pleasure in recommending him to the voters of his district for the office of Commonwealth's Attorney. If elected to this office, I am confident he will do all within his power to have the laws enforced. I know him to be a lawyer of unusual ability and an honest Christian gentleman.

Respectfully,

J. WOOD BROWNING,
Pastor Bethany Christian Ch.

A Card From 'Squire Sewell

I take this method of thanking my friends for their many expressions of interest in my candidacy for re-election as Magistrate after eight years of service. However, I have decided to step down and leave the office for some other deserving man. Again thanking my friends for their loyalty I assure them that should my successor not make good I will run him a race four years hence.

J. A. Sewell.

New Meat Market

The town Board has fixed a license fee of \$20.00 on fresh meat vendors in the town. So far Mr. W. F. McCollum is the only one to take out license. He has opened up a shop in the store of Sherman Robbins & Sons where he invites the public to call and supply their wants.

Attendance Law Upheld

The Court of Appeals has sustained the public school attendance law. The moral effect of this decision will unquestionably encourage all those who have been fighting to give the child a chance and will make it easier to enforce the attendance law.

Notice to Creditors

All persons holding claims against the estate of Berry Barnett, deceased, will present same to the undersigned properly proven by August 6, 1921, or the same bill be barred.

G. W. Pasley.

Well, It's Hot Still

The hottest weather for the past several years has been with us this week, the thermometer rising to 105 in the shade several days.

DODGE BROTHERS MOTOR CARS

We wish to announce to the public that we have made arrangements with the authorized dealers in Dodge cars for this territory to act as their representative in Powell County. Any one interested in the Dodge can call on us and we will promptly arrange for a demonstration, if they desire. Dodge Brothers cars have been reduced \$300.00 and now have as standard equipment larger cord tires, plate glass rear curtain, and numerous minor accessories.

It isn't necessary for us to say anything regarding the quality of Dodge cars, that is known the whole country over. They stand on their reputation.
